THE MAVERICKS

E-Sports Tournament
27th MAY 2022

OVERVIEW

What can be more joyous than watching multiple teams competing in an e-sports tournament? E-Sports is growing at a steady rate in India, and with the constant development, we would like to make the first step towards this by organising an Esports tournament.

GOALS

➔ To develop teamwork and coordination among the players.
➔ Our main motive is to increase the number of participants in future events.

REQUIREMENTS

Proper WIFI connection

Proper WIFI should be provided for the students who are participating in the event.

Multiple Rooms

Multiple rooms as per the size of the event, for proper team communication.

SCHEDULE

- The duration of each game will be approx 30 mins.
- The number of games played will be determined by the number of teams participating.
- The teams will be awarded points for their position, for example, kill points and position points.
